

SANIFLO

The original plumbing solution since 1958

Install a complete bathroom anywhere without any major construction!

2-YEAR WARRANTY

- Ideal for basements, garage conversions, under the stairs, attics and much more
- Easy and mess-free installation in less than a day
- Pre-assembled unit for a simple above-floor installation
- Macerating unit can be installed in front of the wall or concealed behind it

Saniflo can handle drainage from a sink and a tub/shower as well as a toilet.
