

## Meet...

My name is Manny Sorno and I have been an employee of Rubenstein Supply for 29 years. It has been exciting to be part of a company that has grown and increased it's market presence through the years. Rubenstein has provided me with growth opportunities and stability. It has been great working with people who are professional and take pride in what they do. I enjoy working in a team oriented environment that works toward one common goal, which is customer satisfaction. I value the internal and external partnerships that I have developed. My customers are like family to me. Rubenstein is a solid company with a bright future which I am honored to be part of. I look forward to working and assisting you with plumbing and heating needs.

Rubenstein Supply Is Your Source For  
**NORITZ Tankless Gas Water Heaters**

- Noritz tankless gas water heaters are designed and manufactured with 3 key factors in mind:**
- 1. ENERGY SAVINGS**  
Noritz tankless gas water heaters provide an endless supply of hot water on demand; only heating the hot water that is needed. This performance cuts water-heating costs up to 50%.
  - 2. SPACE SAVINGS & DURABILITY**  
Compact in design - about the size of a carry on suitcase for our residential units - the Noritz tankless water heater allows for installation virtually anywhere, indoors or outdoors.
  - 3. SAFETY & ASSURANCE**  
The electronic Advanced Q Function control system for heating the water helps prevent scalding dangers and sudden bursts of cold water. Some models come with a digital thermometer allowing you to control the temperature of the water.
