LIFETIME FINISHES

Guaranteed to last a lifetime. Our PVD finish integrates our chrome and nickel finishes to be part of the faucet rather than just a surface coating, which provides tarnish, scratch and corrosion resistance for years of trouble-free use.

We Put More Thought into It, So You Get More Out of It

Each American Standard product is designed to be easy to use and easy to install, providing you with years of worry-free performance and lasting beauty. Here are just a few of the ways we make that happen.

5-YEAR LIMITED WARRANTY

Our products are designed to provide years of worry-free performance. But in case you're in need of a replacement or repair, your American Standard product comes with a 5-year warranty.

ADA

Meets Americans with Disabilities Act and ANSI A117.1 requirements.

ACTICLEAN®

Self-cleaning toilet with a safe but effective American Standard cleaning solution that cleans and removes stains with a simple press of a button.

AQUATOGGLE

Smartly positioned lever allows users to easily switch between preferred functions while operating the spray head with a single hand.

CALIFORNIA ENERGY COMMISSION

This product has been designed to conserve water and reduce utility costs. Best of all, it helps protect our world's vital resources for future generations.

CLEANCURVE® RIM

Rimless bowl design eliminates hidden, hard-to-reach surfaces where dirt and buildup hide.

DIVERTPADDLE™

Easy-to-reach position of diverter makes switching from hand shower to head and hand shower easier and more accessible.

DOCK-TITE®

The Dock-Tite magnetic docking system securely holds the faucet spray head in place every time, eliminating dangling spray heads.

DYNACLEAN™

DynaClean Technology uses an integral wiper spring to significantly reduce clogging, even in instances of poor water quality, keeping your toilets and urinals running smoothly.

EPA WATERSENSE® CERTIFIED

WaterSense certified products help to reduce water consumption and monthly utility costs. Best of all, they help protect our world's vital resources for future generations.

EASY CLEAN SPRAY

Silicone aerator allows lime scale and other buildup on showerhead to be removed easily with a simple swipe.

EVERCLEAN®

EverClean is an antimicrobial additive that inhibits the growth of stain- and odor-causing bacteria, mold and mildew on the surface.

EVOLAST™

EvoLast Diaphragm Material resists premature warping, cracking and deterioration to deliver superior longevity and a more consistent flush volume, saving you water over time.

HANDS FREE

Intuitive functionality helps keep your hands free in the kitchen—and your faucet germ free when your hands are messy. It's thoughtful technology that makes common tasks even easier.

LEAD-FREE

Through our innovative brass alloy formulation, all of our sink faucets are certified lead-free*, while maintaining our quality, performance and unmatched style.

* As defined under applicable federal and state laws.

LIMITED LIFETIME WARRANTY

Our products are designed to live longer in one place than you do. But in case you're in need of a replacement or repair, your American Standard product comes with a limited lifetime warranty on finish and function.

MEASUREFILL®

MeasureFill Technology delivers a set volume of water with 95% accuracy.

RE-TRAX®

Exclusive Re-Trax Technology offers smooth operation and convenient spray head retraction before, during and after tasks are complete.

RIGHT HEIGHT® SINKS

Ergonomically designed sinks that eliminate undue stress and strain and provide added comfort when used.

RIGHT HEIGHT® TOILETS

Ergonomically designed toilets that eliminate undue stress and strain and provide added comfort when used.

SMARTHERM®

SmarTherm Safety Shut-Off Technology automatically protects against scalding due to a spike in hot water temperature or an interruption in the cold-water supply. Housed neatly inside the faucet spout, SmarTherm Technology is ASSE 1070 Certified.

SOUNDSECURE+™

Rubber sound pads on both the bottom and sides of sink help reduce excess sound and vibration.

SPALET AUTO CLOSE

Automatically opens upon approach and closes after use for your convenience.

SPALET DEODORIZER

Automatic deodorizer uses active charcoal to reduce odors during use and for five seconds after user stands up.

SPALET DRYER

Three temperature settings offer optimal warm air drying and help reduce toilet paper use.

SPALET DUAL NOZZLES

Two separate nozzles provide independent front and rear cleansing, plus five convenient position adjustments. Users will discover refreshing comfort and a feeling of clean like never before.

SPALET HEATED SEAT

Choose from various temperature settings, allowing everyone in the household to find their perfect comfort levels.

SPALET INSTANT HEATING

Instant heating provides unlimited warm water on demand.

SPALET NIGHTLIGHT

Soft light illuminates the bowl and seat to gently guide you at night.

SPALET NOZZLE SHUTTER

A cover prevents waste materials from building up on the nozzles for a reassuring feeling of clean.

SPALET QUICK-DETACH SEAT COVER

The one-push, removable seat cover provides easier cleaning of hard-to-reach areas on the seat and within the bowl.

SPALET SELF-CLEANING NOZZLES

Nozzles that clean themselves before and after every use provide a confident cleansing experience.

SPALET SLOW-CLOSE SEAT

Slow close seat and lid for user convenience.

SPECTRA+ ETOUCH™

Easy-access waterproof remote switch that is mountable anywhere in the shower allows user to change shower function with a simple click.

SPECTRA+ TOUCH™

Effortlessly change the spray function with an easy touch of the showerhead's outer ring.

STONE LOCK™

Multi-layer spray insulation covers the underside of the sink for sound absorption.

TOUCH

Simply touch the faucet for hands-free and germ-free activation.

VORMAX®

Two powerful jets of water eliminate everything in their path, scrubbing the bowl clean from top to bottom. Tested and proven to clean over 2X better than other toilets.
