Our LED illuminated mirrors harness the charm of warm light to create beautiful ambient lighting for your bathroom and living space. LED stands for Light Emitting Diodes, which have a significantly longer lifespan and greater electrical efficiency over incandescent and fluorescent bulbs. Merging fashion and function into one versatile piece, our LED mirrors are suitable for both bathroom and living room décor.

VARIOUS COLOR TEMPERATURES
Our LED mirrors are available in both 3,000 Kelvins and 4,000 Kelvins color temperatures. These two temperatures best emulate the appearance of warm, natural sunlight.

LIGHTING FOR EVERYDAY ROUTINES
The naturally elegant and ambient glow of our backlit LED mirrors is ideal for makeup application and other personal grooming routines that require optimal light and attention to detail.

ENERGY EFFICIENT
LED lights boast significantly superior lifespans and energy efficiency over traditional fluorescent and incandescent bulbs. They are also far more environmentally friendly, as they do not contain toxins or mercury.

ADDITIONAL LIGHT SOURCE
All LED mirrors come equipped with an LED light strip, border, or backing in various sizes, providing clear and brilliant light to supplement daytime or nighttime atmospheres.

BUILT-IN DEFOGGER*
Resistant to fogging, our LED mirrors ensure clarity before and after showers.

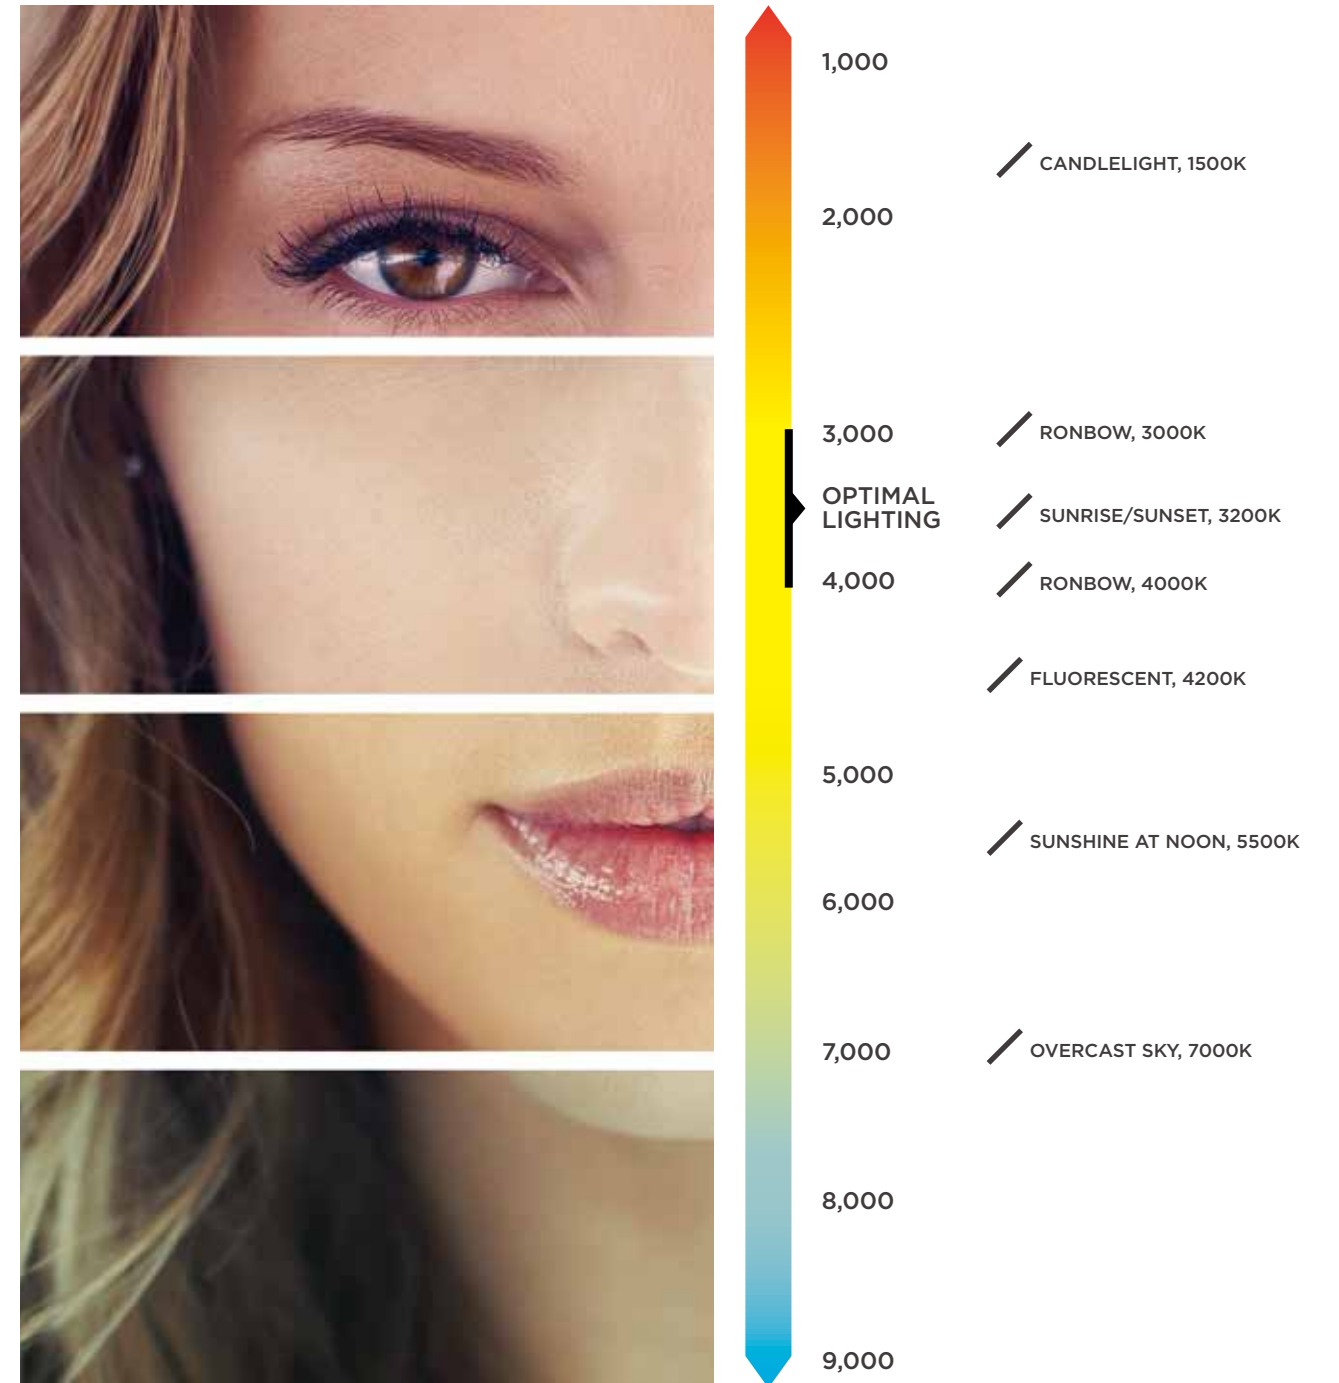

*Not all LED mirrors/mirror medicine cabinets come with built-in defogger. Check product details for more information.

Look Your Best

We want you to rely on us to look your best – that’s why Ronbow’s LED mirrors all boast the ideal color temperatures of 3,000 and 4,000 Kelvins.

Our wide selection of LED mirrors and mirrored cabinets was designed with you in mind, offering a variety of styles from backlighting to LED strips and everything in between. Tastefully elegant yet no less practical, our LED mirrors will bring the perfect harmony of light and ambience to your bathroom space.

The Kelvin scale classifies light coloration on a spectrum from deep, warm red to cool, brilliant blue. Our LED mirrors inhabit the perfect equilibrium with offerings of 3,000 or 4,000 Kelvins, a range that strikes a balance between the traditional glow of an incandescent bulb and the soft warmth of a sunset. Even Leonardo da Vinci himself taught his students that the soft lighting of the sun late in the day provided the optimal conditions in which to paint portraits of his models. Nothing has changed since then, and our LED mirrors emulate the same natural lighting to ensure your daily routine is spot on. Start your day with Ronbow’s LED mirrors and know that you’ll always look sharp.

LED MIRRORS

*Slim profiled mirrors
bring modern beauty
and natural lighting*

TERMS AND CONDITIONS

Prices: Prices are F.O.B. Livermore, California unless otherwise noted. Prices are subject to change without notice. All prices listed are in U.S. Dollars. Prices do not include shipping, special packaging or handling charges.

Special Order Fees: Contact Customer Service for pricing. Please note that special orders cannot be cancelled and are non-returnable.

Stone/TechStone™ Top or Backsplashes: Any stone top or backsplash must be accompanied by a vanity or extra charges will be applied. Contact Customer Service for pricing.

Order Policy: Fax orders are the best way to send in your order. All orders must be submitted in writing by including a purchase order number, job or customer name, and promotion code on the order where necessary. An Order Confirmation will be sent out within 24 hours by fax or e-mail.

Credit Approval: Acceptance of orders, shipments, deliveries and performance of work shall at all times be subject to the approval of RONBOW's credit department. RONBOW may at any time decline an order or decline to make any shipment or delivery or perform any work except upon receipt of payment, or security, or upon terms and conditions satisfactory to such department.

Terms of Payment: The cash payment terms, if any, will be set forth on the face of the sales order confirmation or invoice. Terms are Net 30 days from date of invoice or 2%, 10 days if qualify (payments made within 10 days from date of invoice receive a 2% discount). Past due accounts are subject to 1.5% monthly interest charge on any unpaid balance.

Code Compliance: RONBOW makes no representation that its products comply with any or all local building or plumbing codes. It is the Buyer's responsibility for determining local code compliance.

Open & Close Account: RONBOW reserves the right to change dealer level or remove the dealer from its status as an authorized RONBOW dealer. RONBOW further reserves the right to open or close any account at any time.

Cancellation: Orders for modified, special order, or custom product, as well as those not listed in current list price books may not be cancelled or returned. Orders for all other products in current list price books must be cancelled in writing prior to shipment.

Damage in Transit/Shortage: Every reasonable precaution is taken against breakage or other damage in transit. Seller's risk of loss ceases at the time the goods are placed at Buyer's disposal. Buyer assumes responsibility for all merchandise received in original condition upon delivery. It is the Buyer's responsibility to inspect products upon delivery for transit damage and/or shortage. If damage or shortage is detected, it should be duly noted on the Bill of Lading before signing for merchandise. Report all damages as soon as possible, not to exceed 7 days. All claims of lost or damaged merchandise due to shipping must be made to the carrier.

Return Merchandise: No returns will be accepted after 90 days (3 months) from date of invoice. Any installed or modified product and/or special order items are non-returnable. All items returned must be in good resalable condition and in original undamaged package. Damaged boxes may incur a \$10 - \$40 rebox charge. All returned products will incur a 20% (\$20.00 minimum) restock fee. A Return Goods Authorization (RGA) must be issued by RONBOW before any item can be returned. A copy of the original invoice and reason for return is required to issue a RGA. RGAs will expire 30 days from date of issue. Dealer is responsible for all packing, shipping and handling charges for the cost of returning the items to RONBOW. If merchandise is received damaged, there will be no credit issued. Returned merchandise that has been discontinued will not be credited.

Catalog Disclaimer: Please note that, although every effort is made to ensure that product photos depict the truest color possible, we cannot guarantee that the colors printed in this catalog will accurately depict the true color of the merchandise shown. Please obtain product color swatches for accurate color samples.

WARRANTY

All RONBOW products carry a one-year limited Warranty that RONBOW's products are manufactured to be free of defects in material and workmanship during normal residential use when purchased from an Authorized RONBOW Dealer. If a defect is found in normal residential use, RONBOW will, at its election, repair, replace or make appropriate adjustment. Damage caused by accident, misuse, or abuse is not covered by this warranty. Improper care and cleaning will void the warranty. Proof of purchase (original sales receipt) must be provided to RONBOW with all warranty claims. RONBOW is not responsible for labor charges, installation, or other incidental or consequential costs. In no event shall the liability of RONBOW exceed the purchase price of the product.

Damage caused during moving (tipping over) or during installation is not a defect or warranty issue and will not be considered as such. The warranty does not cover product failure caused by abusive treatment, surface scratches, misuse, neglect or damage due to handling or faulty installations. This warranty applies only to the original purchaser and to the original installation of the product. This warranty is void if the product has been moved from its initial place of installation. Defective products or parts will be replaced on a rush and availability basis. This warranty does not apply to local building code compliance. The buyer should check with the local related plumbing codes before installation.

RONBOW furniture is made of naturally variable raw materials. Differences in grain character and color among wood and plant species and stones and minerals are naturally occurring variations and are not within the control of the manufacturer nor considered defects under this warranty. Natural color changes, variations, or movements in lumber or veneer products, and exposure to extreme temperature changes and direct sunlight, may cause color changes and/or surface damage and are not covered by this warranty.

Finish and Wood Characteristics

All wood materials may naturally age, darken, change in color, and mellow over time due primarily to light exposure. While this color change is imperceptible from day to day, it may be significant over a longer period of time, and will vary based upon length and intensity of exposure to light. On warranty replacement doors, drawers, or other wood components, we cannot guarantee an exact color match. Additionally, wood imperfections such as checks (small surface splits), pitchpockets (small dark holes) or darker mineral streaks are naturally occurring and are not considered defects.

Bamboo Characteristics

Due to their unique and diverse nature, bamboo products are particularly susceptible to color variance and may differ considerably between dye lots. Please be aware of this variation when selecting bamboo products. This variation also applies to sample swatches, which may vary drastically from the exact color shade you will receive in a finished product. Bamboo color palettes range from neutral grays to warmer browns, all of various lights and darks. Sample swatches provide accurate string and pattern placement examples but their color palette may differ from that of your final bamboo product.
