Indulge your senses

in PowderRain

Pamper your skin with thousands of
fine and invigorating micro-droplets.

Soft.

Peaceful.

Relaxing.

Innovation for Showering Pleasure.

Inspired by nature. With warm and misty rain droplets in mind, our product specialists developed our newest spray mode, PowderRain. This innovation is featured in the newest range of Raindance products that will transform your showering experience, making it even more special, and indeed unique: **Showering you with micro-fine droplets, wrapping your skin in a cocoon of water.**

The Technology.

No-clog spray channels. Innovative in design, products equipped with the PowderRain spray mode feature nozzles with six fine openings producing thousands of micro-droplets, that create the unique sensation of soft, sensual rain.

More Can Be Less.

More Quiet. Less Splashing. The fine spray of PowderRain will transform your bathroom into an oasis of relaxation, where you can truly indulge your senses.
