

SLIDING-DOOR GLASS SHOWERS

oceania  
water • attitude

# water • attitude

Because water flows, trickles, rushes and swirls.

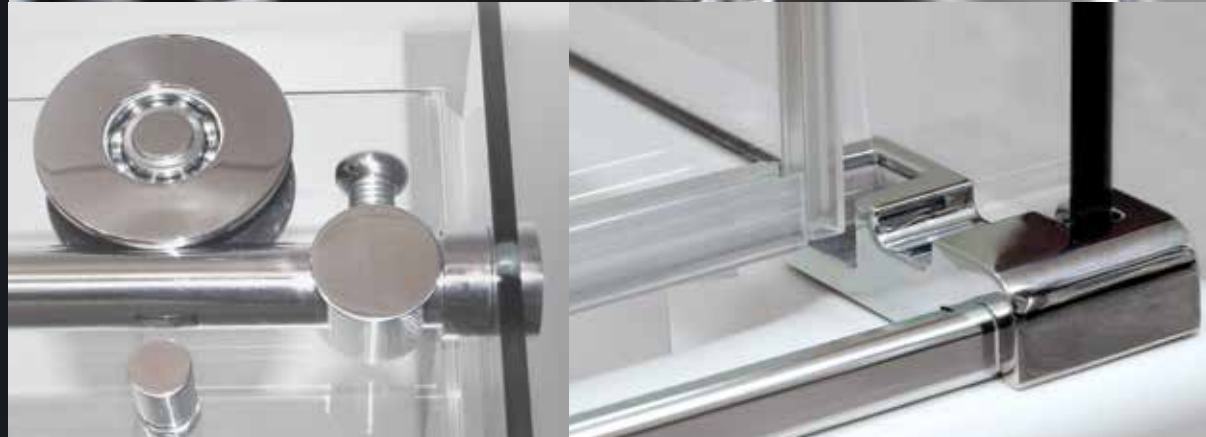

Because water is restorative, soothing and cleansing.

Because water captivates, entralls and fascinates.

Because water is the source from which life springs.

We, Oceania, strive to reflect the wealth of its blessings.

Water—our inspiration

# GLASS SHOWERS

Water-repellent glass • versatility • quality

## MECHANISMS

- European-engineered sliding mechanism. Spring shock stops
- A minimum of metal components for a “frameless” look
- 3/8" tempered glass treated with Oceania's exclusive Clear View™ water-repellent technology

## CLEAR VIEW™ WATER-REPELLENT TREATMENT

- Exclusive to Oceania
- Prevents water and soap from sticking to glass
- Reduces maintenance to a minimum
- Much more hygienic
- Protects both sides of glass shower panels

## GLASS DOORS AND PANELS

- Sliding doors and panels are made with 3/8" thick tempered glass
- Oversized rollers are engineered to slide effortlessly with shock-resistant reinforced stops
- All glass panels are treated with Oceania's exclusive Clear View™ water-repellent technology

## STRUCTURES

- 3/8" tempered glass structures with a rigid design
- Flexible clear acrylic door seals provide exceptional sealing
- Adjustable reinforcement shafts
- Stainless steel or Lucite XL™ acrylic bases
- Designed for a perfect and easy installation every time

## CREATIVE INTELLIGENCE AND ADVANCED DESIGN

Lauded by professional installers, Oceania showers are the result of intelligent engineering from inception.

- Modular design with flexible configurations
- Quality in terms of components exceeding standards
- Unrivalled precision of assembly
- Structural integrity guaranteeing uncommon durability

# MARELIA SERIES

# MARELIA SERIES

European-engineered sliding mechanism.

Spring shock stops.

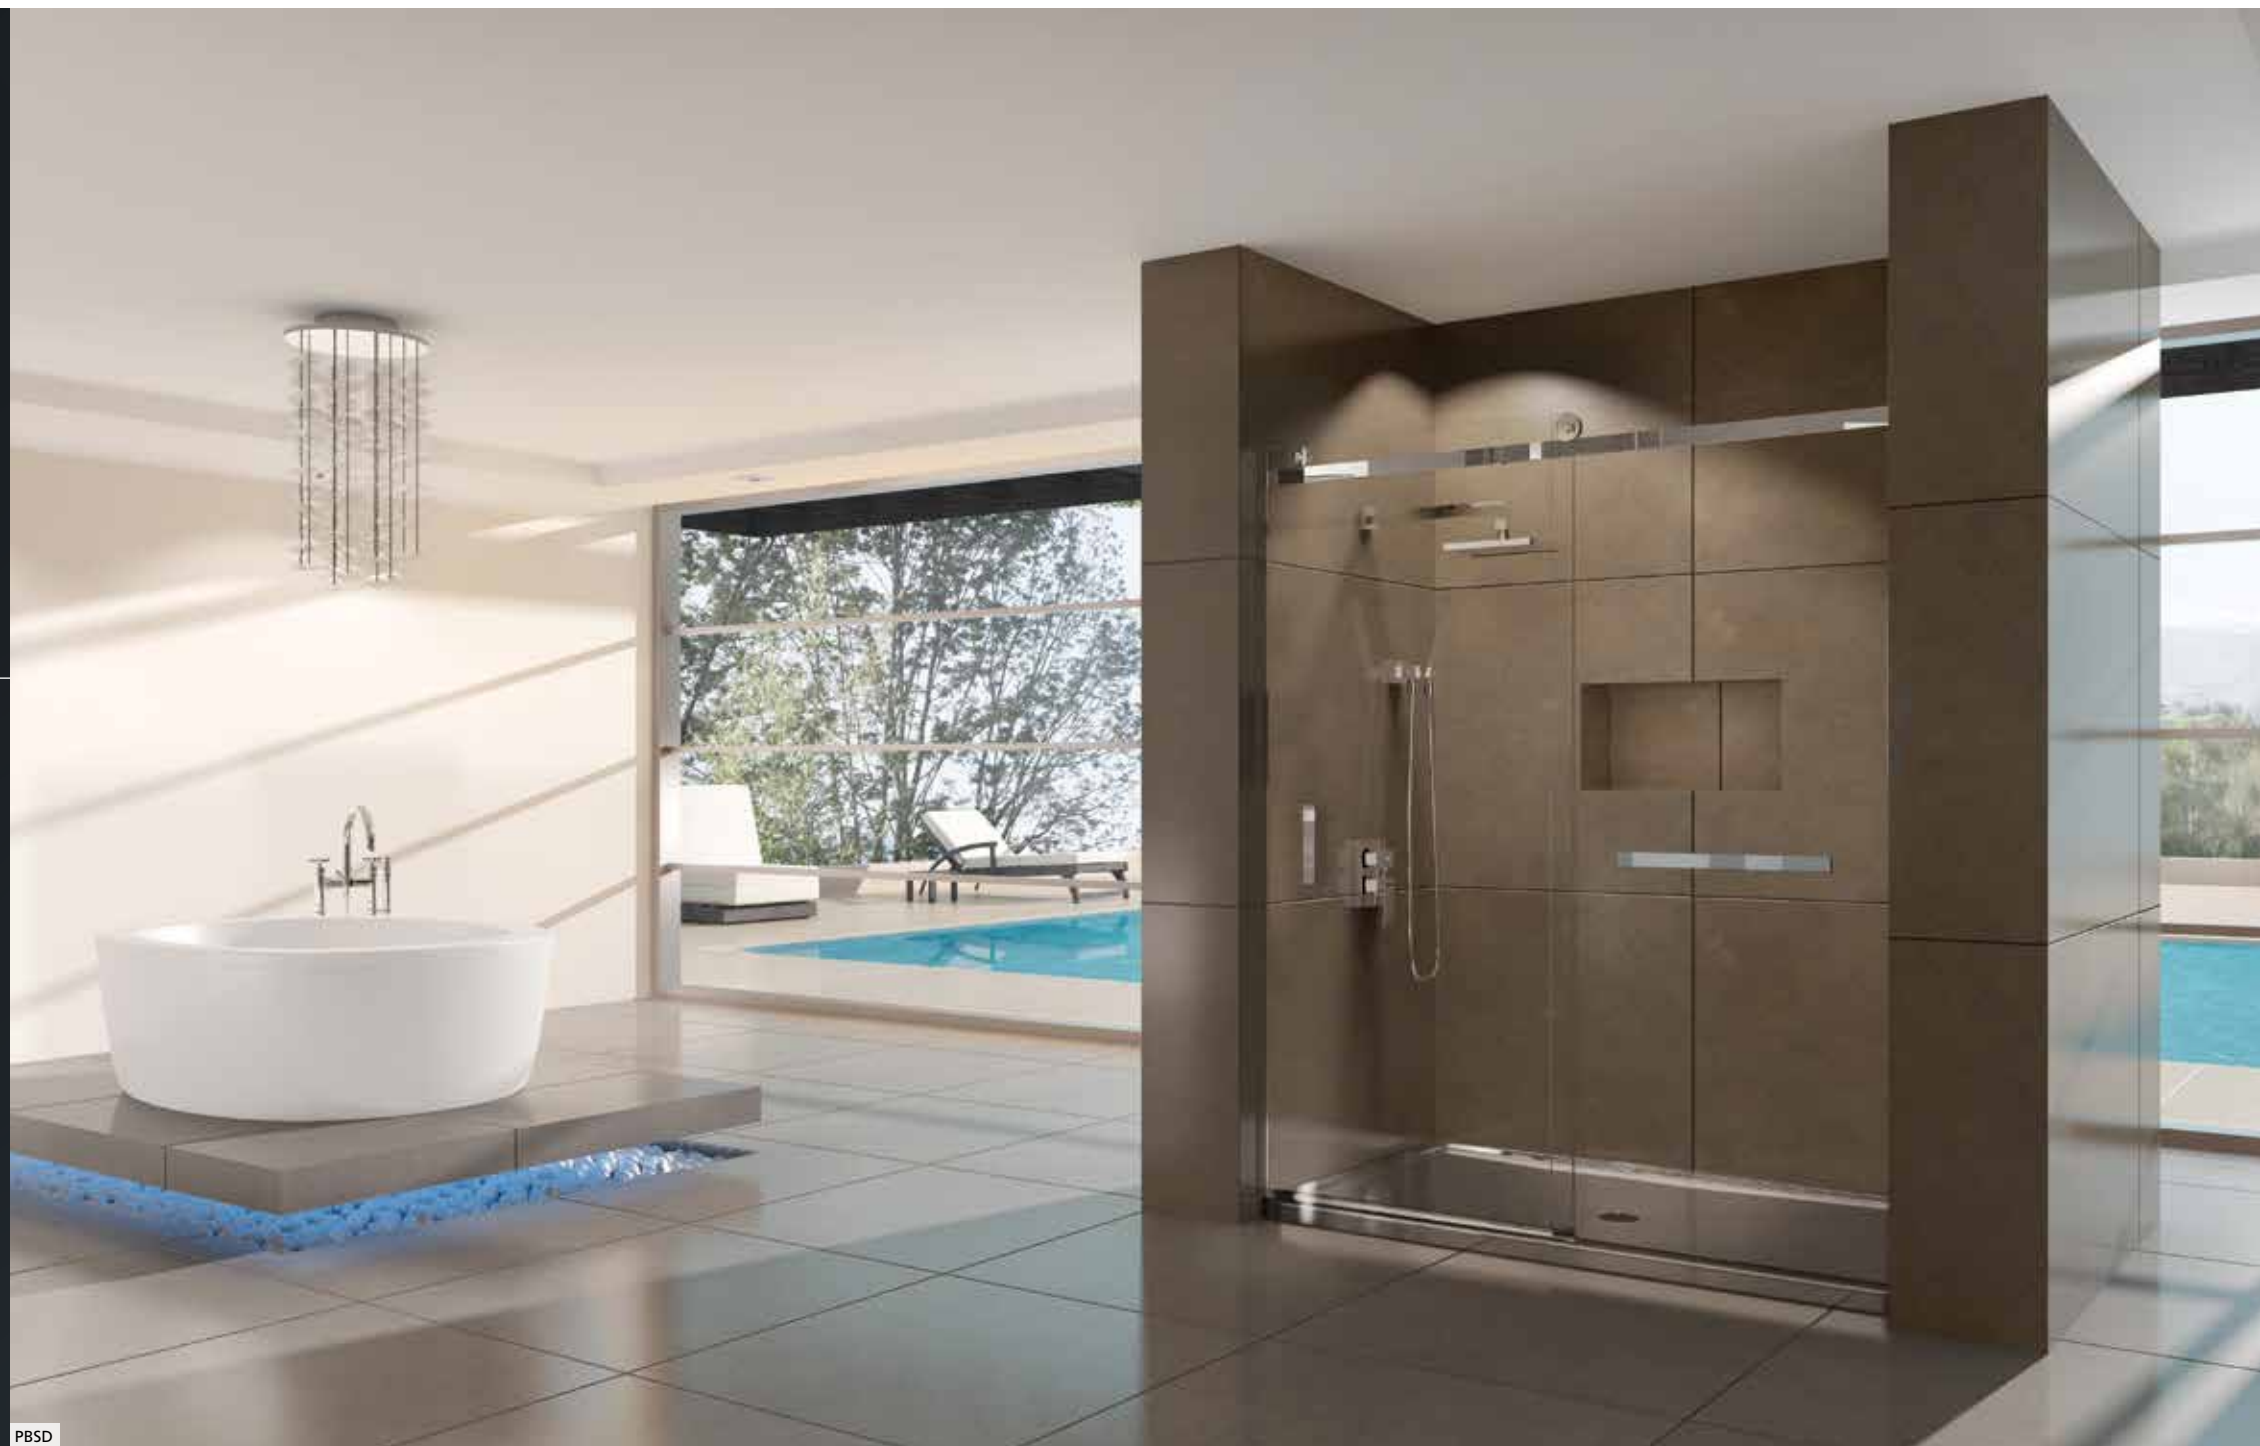

A minimum of metal components for a "frameless" look.

3/8" tempered glass treated with Oceania's exclusive Clear View™ water-repellent technology.

Acrylic or stainless steel base.

State-of-the-art glass shower\* enclosure at an excellent price point. Beautifully styled with a sophisticated new design with an easy-glide sliding door that allows for either left- or right-hand installation. Option of acrylic or stainless steel base.

The model PBSDR has two glass panels for a corner installation wall. PBSDR2 model has three glass panels for a one-wall installation. Acrylic base also available in 22 different Lucite XL™ colors.

PBSD

PBSDR2

PBSDR

# CALIFORNIA SERIES

# CALIFORNIA SERIES

3/8" tempered glass with Oceania Clear View™ water-repellent technology. \*

A minimalist "frameless" look offering modern aesthetics. An adjustable reinforcement shaft for increased stability.

Door has stainless steel bolted hinges. The shower door can be installed on the narrow end of the shower.

The California Series easily adapts to all sizes of bathrooms.

\* The models PB2 and PR2 have two glass panels for a corner installation wall. Acrylic base also available in 22 different Lucite XL™ colors.

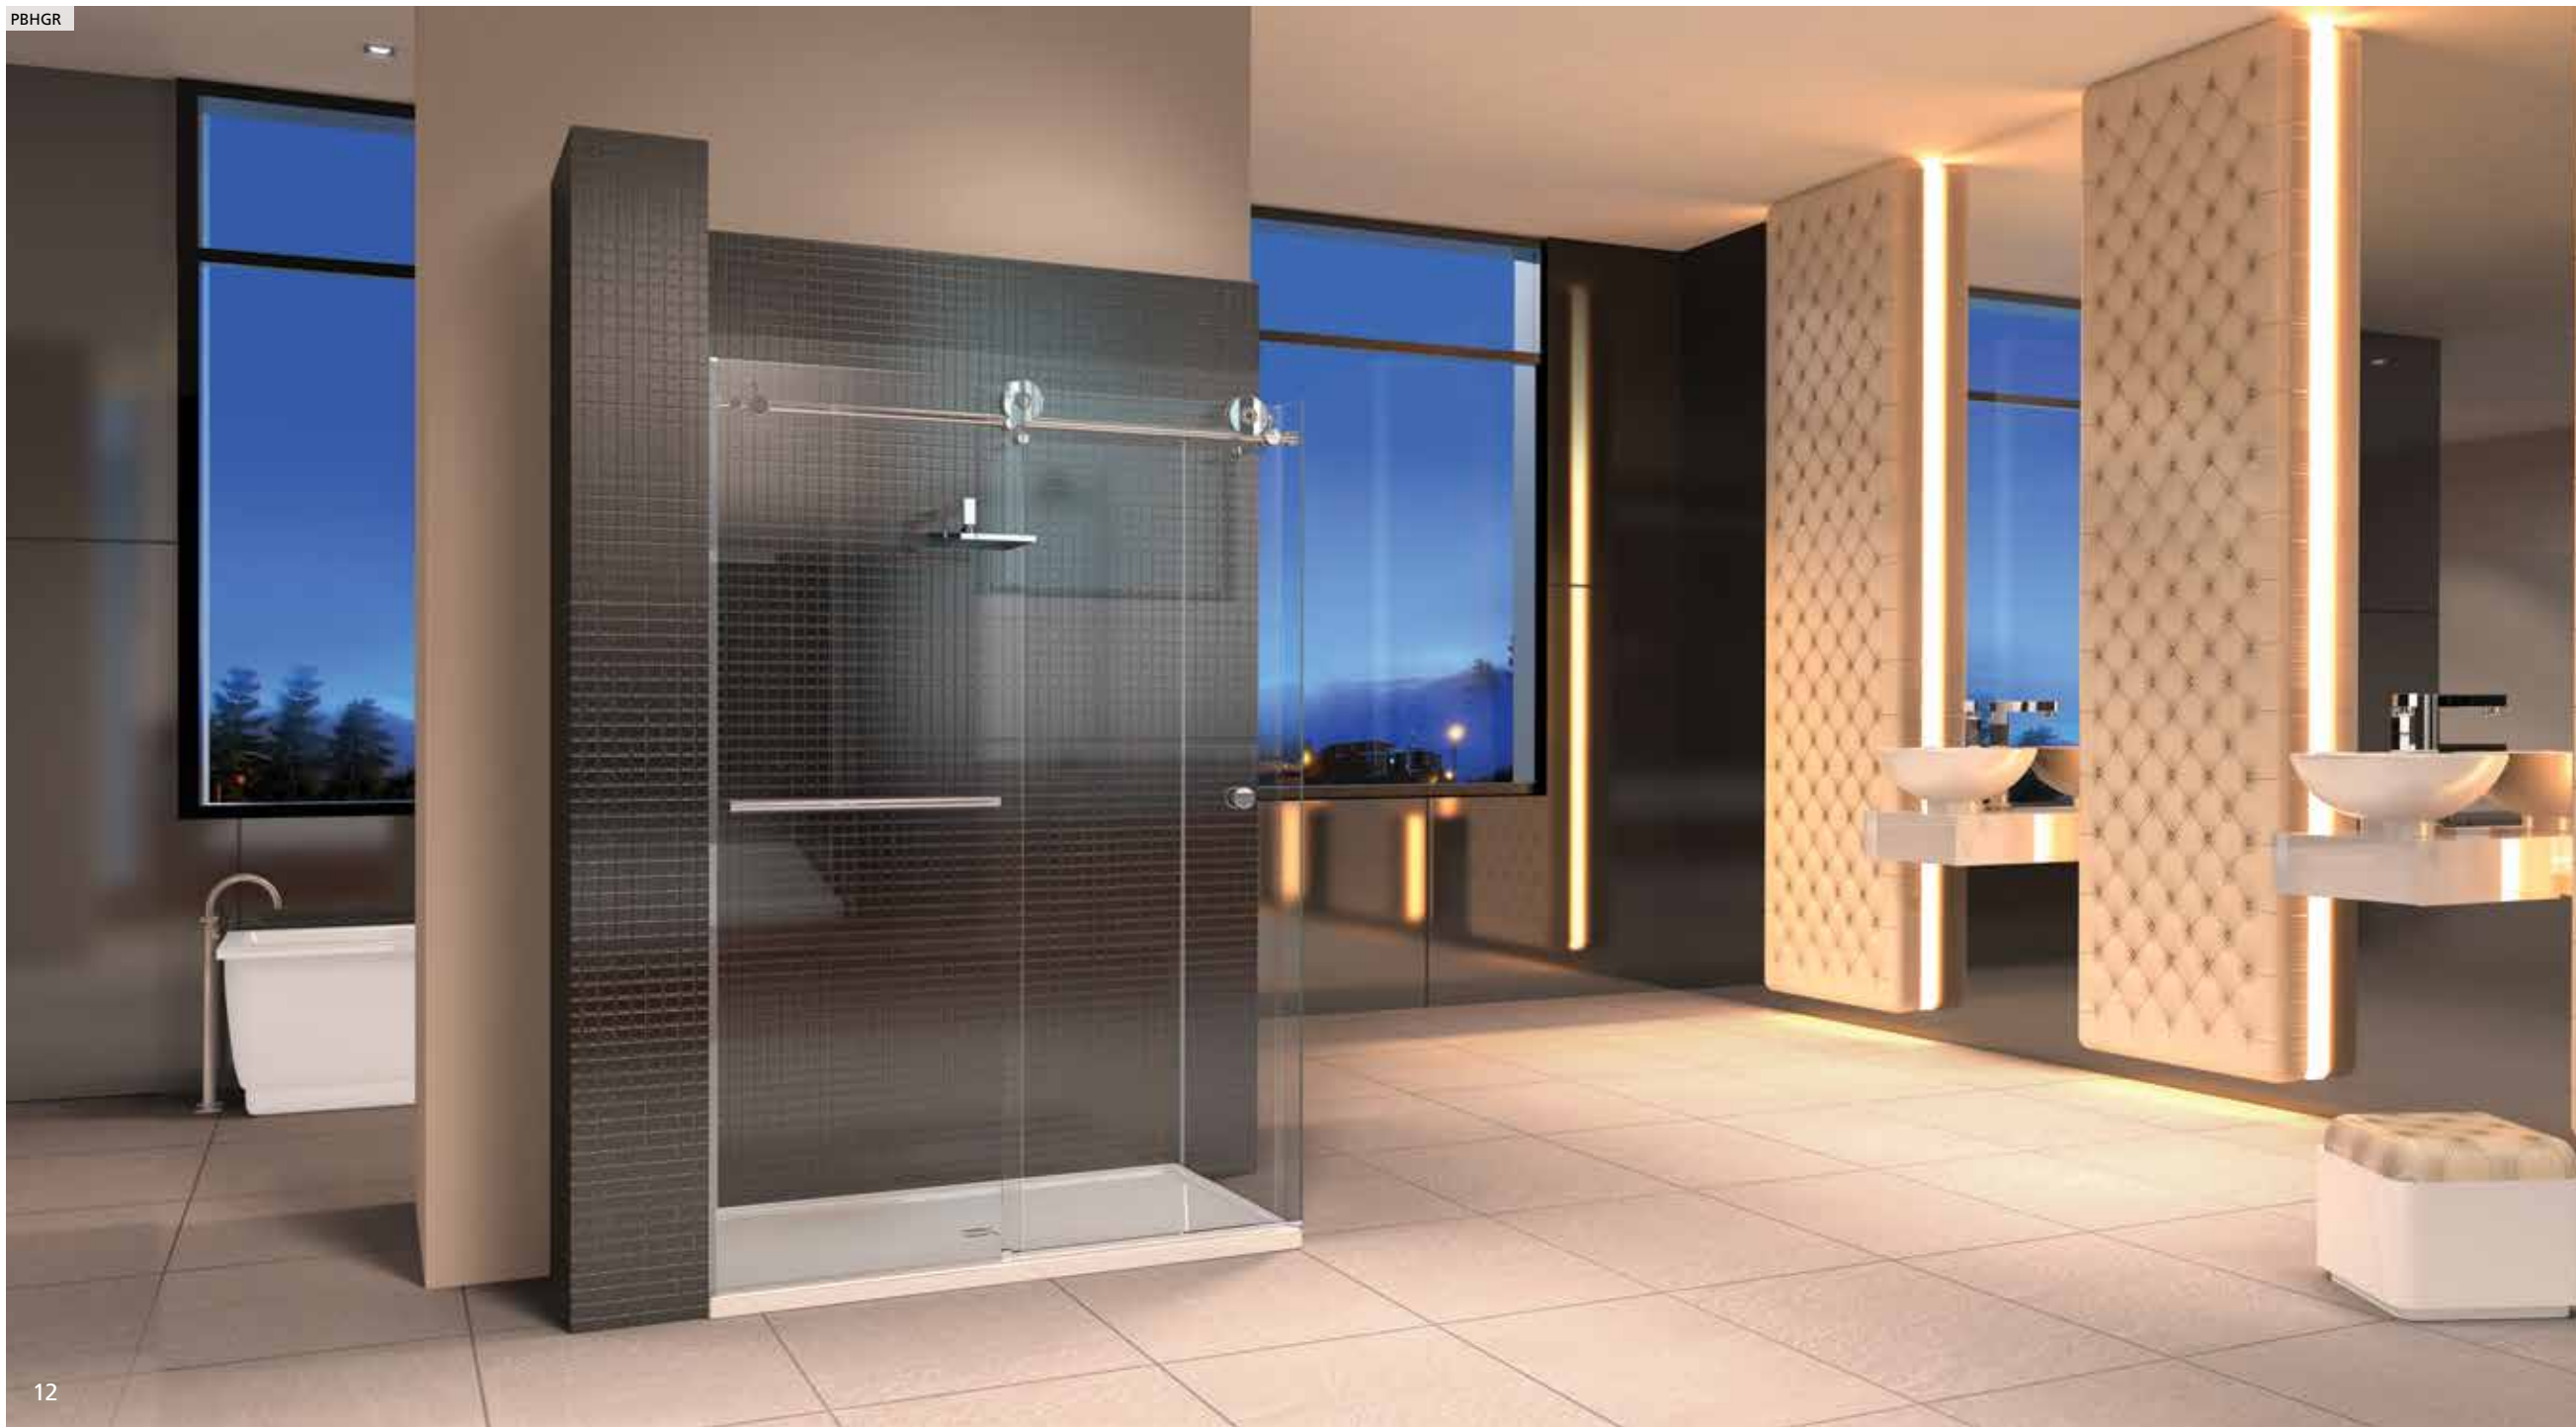

PB1

PR2

PB2

# VENEZIA<sup>SERIES</sup>

A top-of-the-line sliding door design with 3/8" tempered glass panels.\* Available in a variety of sizes for a luxuriously spacious shower. Durable stainless steel alloy components provide lasting beauty for this "frameless" look. Bi-directional door can be installed left-hand or right-hand for easy entry.

PBHG

\* Model PBHGR is a two-wall specification equipped with an acrylic base available in 22 different Lucite XL™ colors. Stainless steel base also available.

## SHOWER DOOR & BASE COMBOS

Oceania shower door and base combinations enable you to quickly create an elegant and completely watertight shower in a tiled corner, even when space is very limited.

- Rounded or “neo-angle” configurations available
- Contemporary low-profile look
- Quick-release sliding door for easy cleaning
- Available in clear or frosted glass
- Acrylic bases in a choice of 22 Lucite XL™ colors for a close match with your floors or walls.

## QI-100 - BATH SCREEN

Ideal for the shower/bathtub combo. Perfect for the small bathroom where you want a much larger look. Allows anytime faucet access or bath cleaning with its 180-degree swivel panels.

- 6 mm tempered glass panel for strength and durability
- Fully reversible for installation on left or right side of the bath
- Glass is treated on both sides with Oceania Clear View™ water-repellent technology

## A SOLID GUARANTEE

All Oceania products, with the exception of glass shower doors, are designed, manufactured and assembled in the Canadian province of Quebec. That choice results in a very tangible benefit for both you and us: our people work together diligently from design to delivery, with nothing escaping their intense focus on quality control.

The structure and system of the products in our regular lines are covered by a 20-year limited warranty.

You can find a complete and exact description of the terms of that warranty on our website: [oceania-attitude.com](http://oceania-attitude.com)

WARRANTY    WARRANTY

## THE ENVIRONMENT – A RESPONSIBLE ATTITUDE THAT'S EXEMPLARY

Here at Oceania, environmental responsibility is much more than a simple corporate value. For us, it's an urgent necessity.

We have set up very strict policies designed to minimize the environmental impact of our operations and boost the sustainability of resources. Our priority: to ensure we always make the smartest, most responsible choices in respect to the environment.

We are especially proud of our accomplishments and we will not cease to intensify our efforts.
